Iowa CareGivers' "A Call to Leadership" For Those Who Work in Direct Care Hosted by Northwest Iowa Community College

On April 8, 2013, from 10:30 a.m. to 4:30 p.m., Iowa CareGivers, in cooperation with Northwest Iowa Community College (NCC), will host a one day program for those who work in the field of direct care. "A Call to Leadership: A Direct Care Professional's Guide to Developing Leadership Skills" is being held at NCC, Building A, Room 116-119.

"A Call to Leadership" is designed for Home Care Aides, Certified Nursing Assistants, Direct Support Professionals, and others who work in the field of direct care. These individuals provide most of the direct hands on care and services to Iowans of all ages and in many different locations. The purpose of the program is to provide this vitally important sector of Iowa's workforce an opportunity to strengthen their skills as leaders within their chosen field of direct care.

The program is engaging and interactive. Class size is limited so those interested are encouraged to register early. To register either call Georgeanna at 515 223 2805, or download the registration form from the Iowa CareGivers website at: www.iowacaregivers.org and fax it to 515 226 3214. It is also very easy to register online here: http://iowacaregivers.org/programs_and_events/leadership-2013.php

The Iowa CareGivers is a nonprofit, nonpartisan organization, founded in 1992 and exists to ensure that Iowans receive good care and support when and where they need it. They do that by focusing on serving the needs of those who provide most of that care and service...the direct care workforce. . The Leadership Program is made possible by a grant through the Iowa Department of Public Health (IDPH).
