| Programs: | Industrial Instrumentation & Control  
Electrical Technology |
|-----------|--------------------------------------------------|
| Company:  | Daybreak Foods  
Estherville, IA |
| Job Title:| MAINTENANCE TECHNICIAN I |
| Description: | Join a dedicated group of people who work together to produce the highest quality food products. We are currently recruiting **FT Maintenance Technician I for our Estherville facility**.  
The successful candidate should have strong preventative maintenance knowledge as well as mechanical, plumbing, and electrical equipment in an industrial setting. We are willing to train the right person who has a solid mechanical aptitude. Responsibilities may include: preventative/real time maintenance and repair of food processing equipment, mechanical and electrical troubleshooting, and building and grounds maintenance. Good troubleshooting skills are required. |
| Salary/Benefits: | We offer competitive pay and benefits including 401K, health and dental insurance, vision insurance, disability insurance, flexible spending, vacations and paid personal days. The wage range for this position is $13.00-16.00 dependent on specific experience, knowledge, and abilities. |
| Application Procedure: | Call or email Jodi Roy at 712-380-0154 or jroy@daybreakfoods.com or stop by one of our locations to pick up an application |
