JOB OPPORTUNITY

PROGRAM: POWERLINE

Company: Hutton Contracting Co.

1600 Clifty Highway
Hindsville, AR 72738

Phone: 479-789-2550

APPRENTICE LINEMAN: This opening is on our transmission crew. We are building new and rebuilding 69kV and 161kV lines in South Central Missouri. Job duties may consist of framing structures on the ground and in the air. You may also be helping with setting poles, stringing wire, sagging wire and unclipping and clipping in wire. Over time you will see all aspects of building transmission line.

We have a program certified through the US Department of Labor where you can earn your Journeyman Lineman Certificate. We have a 3 month probationary period where we evaluate your performance. At the end of this period candidates will be selected for enrollment into our Journeyman Lineman program. Our Apprentice program is approved by the Veteran's Administration allowing our veterans the opportunity to apply their educational benefits.

For a telephone interview, call Katherine at 479-789-2550 or email:
