LINEMAN/APPRENTICE LINEMAN:

This is a full time position. As a Lineman/Apprentice Lineman, you will work closely with our team to develop the knowledge, ability, and other qualifications to perform the duties of a Lineman/Apprentice Lineman. The work will involve overhead and underground construction and maintenance. The position is subject to additional after-hours work and on-call rotation.

Qualified applicants should possess the following qualifications: a HS Diploma or equivalent, diploma from an accredited Powerline school or competency with electric distribution system attained through experience, valid Class A CDL, ability to meet all safety requirements, set forth by Pella Cooperative Electric's Operating Procedures along with OSHA and ANSI standards, meet the physical requirements of the job which include: heavy lifting and operating machinery, must reside within 5 miles or 10 minutes of Cooperative headquarters in Pella, previous utility experience is a plus.

Contact for formal job description at: 641-651-9121.

We offer competitive wages and benefits. Interested applicants should submit a resume and cover letter to the address or email listed above.
