JOB OPPORTUNITY

Program: NURSING

Company: Universal Pediatrics
702 Park Street
Sheldon, IA 51201

We are a home health care agency that provides skilled nursing and home health aide services to children and young adults throughout the state of Iowa, South Dakota, and SW Minnesota. We specialize in children who are medically fragile needing one-on-one, extended hourly care, such as: tube feedings, trach cares, and ventilator support. We hire RNs and LPNs case-specific locally to where the child resides and provide personal training to nurses for the child's individual medical needs.
