JOB OPPORTUNITY

Company: Valley Machining Company
1250 22nd Ave.
Rock Valley, IA

Website: valleymachining.com

PRODUCTION DEPARTMENT: We are looking for team members to join our **PRODUCTION DEPARTMENT**. Responsibilities include: production of precision parts, maintaining product quality, achieving established rates and completion of production reports. Must be motivated and have a continuous improvement attitude.

Flexible part time positions available.

Must be 18 years of age and possess good interpersonal skills. Dependability a must. VMC has a safe work environment and all 100,000 sq. ft. of our plant is climate controlled. Night shift employees earn a \$2.00 per hour premium and are paid an extra hour when they work a full week's production shift.

Application Procedure: Please apply at: valleymachining.com or in person.
