ACTIVATED SLUDGE FOR WASTEWATER CEUs OFFERED AT NCC

Northwest Iowa Community College, Sheldon, IA will offer a course entitled Activated Sludge Boot Camp on Thursday August 25, 2011. The student will learn more about effective operation of small to medium sized activated sludge systems. Course includes instruction on sources and characteristics of wastewater, operating strategies for activated sludge, troubleshooting and optimization

This one day class meets from 9:00am to 3:00pm in room 341, Building C at NCC and is approved for 0.5 CEU's for Wastewater.

The fee for this course is \$125 and Mark Simms is the instructor.

Register and pay online at www.nwicc.edu or call the Continuing Education office locally at 324-5061 or toll free at 800-352-4907.
