## **Learn the Basics of Using your iPad, iPod Touch and iPhone**

In this “Apple iOS 101” class, you will learn how to connect to WIFI, customize your device, take pictures/video, download apps, setup/use e-mail and using I-Cloud with your device. New features and changes in iOS 8 will also be covered. Students – you will need to bring your device to class and please inform those registering you what type of device you will be bringing to class. This class will meet on 3 Wednesdays from 7:00 pm – 9:00 pm, starting on February 3 and ending on February 17 in the Sioux Center Library Computer Lab. The section number is #49383 and the cost is \$49.

Eric Ortner will be the instructor. Eric has been in the Information Technology Department at Northwest Iowa Community College for the past 8 years. Eric had his start in the tech industry in 1997 working in the service department for Iowa’s oldest Apple Computer dealer. He has a degree in Computer Networking Technology from Iowa Central and a Business Management degree from Northwest Iowa Community College.

**To register, call Northwest Iowa Community College at 712-324-5061 or 800-352-4907 and ask for Continuing Education.**
