Apple iOS 101 Course Offered at Northwest Iowa Community College

In this "Apple iOS 101" class, you will learn how to connect to WIFI, customize your device, take pictures/video, download apps, setup/use e-mail and backup your device using I-Cloud. New features and changes in iOS 7 will also be covered.

Students – you will need to bring your device to class and please inform them at registration what type of device you will be bringing to class. This class will meet on 3 Wednesdays from 7:00 pm – 9:00 pm, starting on January 22 and ending on February 5 in the Sioux Center Library Computer Lab.

The section number is #39265 and the cost is \$45.

Eric Ortner will be the instructor. Eric has been in the Information Technology Department at Northwest Iowa Community College for the past 6 years. Eric had his start in the tech industry in 1997 working in the service department for Iowa's oldest Apple Computer dealer. He has a degree in Computer Networking Technology from Iowa Central and a Business Management degree from Northwest Iowa Community College.

To preregister: Call Northwest Iowa Community College at 712-324-5061 or 800-352-4907 and ask for Continuing Education.
