## **Northwest Iowa Community College Offers Beginning Acrylic Painting Class**

You will learn about color theory, properties of color, acrylic techniques and some art history while painting YOUR OWN landscape. Hopefully, you will then be inspired to continue with your newly acquired knowledge! Each student should bring with them 3-4 photos or pictures of landscapes. From these, the instructor will help choose the one to use to experience success! Art supplies included in fee for the class. This course will be on four consecutive Thursdays from September 7 to September 28 and will be held from 5:00 – 7:00 pm in the General N.B. Baker Library in Sutherland, IA. Fee: \$69. Instructor: Sheila Billick. Sheila is now retired from South O'Brien Community Schools after teaching visual arts K-12 for 37 years.

**To register, call Northwest Iowa Community College at 712-324-5061 or 800-352-4907 and ask for Continuing Education.**
