NEWS RELEASE

*May be published
when received.*

NCC TO OFFER A CNC OPERATOR BOOT CAMP

Northwest Iowa Community College will be offering a free CNC training opportunity to prepare individuals for entry level positions as a CNC operator. Individuals successfully completing the program will earn HAAS certification in Mill and Lathe operation. Lab hours and supplemental instruction in basic skills are built into the program. Space is limited and priority will be given to individuals who meet the grant requirements. Completion of this course can lead to college credit for those interested in continuing in the manufacturing program. Classes will be held on Saturdays and will run from 9am – 3:30pm. Attendance will be required.

CNC Setup and Programming	Hours	Date
Enrollment	By appointment	Complete by May 6
Basic Training & Orientation	9am- 3:30pm	May 14, 21
June Sessions	9am – 3:30pm	June 4, 11, 18, 25
July Sessions	9am – 3:30pm	July 9, 16, 23, 30
August (Wrap up/Make up)	9am – 3:30pm	August 6

ENROLLMENT SESSION

Individuals must register by May 6th in order to participate. The registration process includes basic skills assessments in reading and math, along with a short survey to identify basic computer experience. This information will be used to determine enrollment. In order to schedule your two appointments, contact Janet Leifeld using the contact information listed below.

BASIC TRAINING & ORIENTATION

Participants will be provided with a review of math principles and computer skills necessary for success in the manufacturing field. Participation is required.

Date: May 14 & 21
Location: Northwest Iowa Community College, Building A. Learning Center
Time: 9 – 3:30pm

COURSE COMPLETION OUTCOMES

- HAAS Certification in Mill and Lathe operation
- National Career Readiness Certification (NCRC)
- Possible college credit for those interested in continuing their education
