NORTHWEST IOWA COMMUNITY COLLEGE TO OFFER COSMETOLOGY CLASSES

Two classes will be offered at Northwest Iowa Community College for cosmetology continuing education on March 23 in Building C, room 328.

In the “Coloring Trends and Techniques” class, there will be discussion and demonstrations for many color technique options from foiling to placement to Balayage. This class will meet from 8 am to 12 pm.

“Styling Trends and Techniques” will be offered in the afternoon from 1-5 pm. The newest styles will be demonstrated with instructions and tips on technique, including achieving a great round brush blowout to curling and styling for the trendiest look. Both classes will include one hour of Iowa Administration Law and Sanitation and will be taught by Angi Baumeister.

Angi has been in the industry for 17 years, and has always had a passion for doing hair. She has worked for Aveda the last 12 years as a stylist, owning her own salon for 3 years. She strongly believes continuing education will make you stronger and confident as a stylist. She is an enthusiastic and energetic instructor who will make sure your time in the classroom is well spent. Registration cost for each class is \$45 or a combination price of \$79 for both classes.

To register, call Northwest Iowa Community College at 712-324-5061 or 800-352-4907 and ask for Continuing Education.
