Joleen De Jong Receives Degree from Northwest Iowa Community College

Northwest Iowa Community College announces **Joleen Susan De Jong**, Little Rock, Iowa has successfully completed the academic requirements to receive a degree in Extended Associate Degree Nursing at the end of the Fall 2011 semester.

NCC's Extended Practical Nursing (EPN) program was developed to provide a more flexible option for students with other family and work responsibilities. The Extended Practical Nursing program prepares you to provide comprehensive care for clients' physical and psychosocial needs. Nursing courses provide basic knowledge and skills in the medical-surgical, geriatric, maternity, pediatric, and mental health nursing areas. Courses also focus on care giving, communication, teaching, professional, and managerial roles. Local health facilities provide the opportunity to participate in supervised clinical experience.
