ELECTRICAL CEHS OFFERED AT NORTHWEST IOWA COMMUNITY COLLEGE

Northwest Iowa Community College will offer an electrical course entitled Electrical Residential and Residential Master Test Prep on October 23, 2013 from 9:00am-4:00pm building C, room 304.

This course is for Iowa electricians that were issued a Special Electrician license with the Residential endorsement. After December 31, 2013 to continue doing residential work testing will be required. To help prepare for either the Iowa Residential or the Iowa Master Residential license exam this test prep course will be offered.

The instructor for this class is Scott Abbott and the fee for the course is \$95. This course is approved for 6 Iowa electrical code related CEHs.

For more information about the class contact Scott Abbott at NCC ext. 104 or to register, call the Continuing Education office locally at 324-5061 or toll free at 800-352-4907. Register online at www.nwicc.edu.
