ELECTRICAL CEUs OFFERED AT NORTHWEST IOWA COMMUNITY COLLEGE

Northwest Iowa Community College will offer an electrical course entitled Sizing Conductors and Raceways Part I. This course will be given on Tuesday, April 16, 2013 in building C, room 345.

This seminar will help the electrician become familiar with how to size conductors, boxes and raceways using the 2011 National Electrical Code and the tables found in the code. There will be hands on calculations so please bring a calculator and the 2011 edition of the NEC.

The instructor for this class is Byron Krull and the fee is \$40. This course is approved for 3 Iowa electrical code-related CEHs.

For more information about the class or to register, call the Continuing Education office locally at 324-5061 or toll free at 800-352-4907 Register online at www.nwicc.edu.
