ELECTRICAL CEHs OFFERED AT NORTHWEST IOWA COMMUNITY COLLEGE

Northwest Iowa Community College will offer an electrical course entitled Services and Q & A on the NEC. This 3 hour course will be given on Thursday October 17, 2013 from 6-9pm in building H, room 519.

This course will begin with requirements and calculations on electrical services. Additional information will cover Corrugated Stainless Steel Tubing (CSST), Arc-fault Circuit Interrupters, and smoke detectors.

The instructor for this class is our NW IA electrical inspector Michael Decker and the fee is \$59. This course is approved for 3 Iowa electrical code-related CEHs. For more information about the class or to register, call the Continuing Education office locally at 324-5061 or toll free at 800-352-4907 Register online at www.nwicc.edu.
