ELECTRICAL CEUs OFFERED AT NORTHWEST IOWA COMMUNITY COLLEGE

Northwest Iowa Community College will offer an electrical course entitled Residential Wiring to the National Electrical Code over 2 nights, on March 26 & 28, 2013. Each session will run from 6:30pm to 9:30pm in building H, room 519.

This residential wiring requirements course will cover what has been required, what is presently required and what will the inspector look for when doing inspections. Please bring your 2011 NEC book.

The instructor for this class is Michael Decker, our NW Iowa state electrical inspector and the fee is \$75. This course is approved for 6 Iowa electrical code related CEHs.

For more information about the class or to register, call the Continuing Education office locally at 324-5061 or toll free at 800-352-4907 Register online at
