Conquer Your Fear of Computers and the Internet!

A special class geared to the “mature” and beginning computer learner! This hands-on class will help you learn the basics of using a computer. Each student will learn the key computer terms and practice using a computer with a Windows 7 operating system. Playing computer games and doing simple tasks will help each student learn how to use the mouse, keyboard and commands. Students will also learn the fundamentals of getting onto and searching the internet. Techniques will be taught at a pace that will allow for a lot of practice time.

This 2-session class is limited to 6 students.

Class Information:

- There will be two sessions on Tuesdays in Room 514H at Northwest Iowa Community College from 6:00 to 9:00 pm on January 28 and February 4, Section #39293 **OR** Thursdays in the Sioux Center Library Computer Lab from 1:00 to 4:00pm on January 20 and February 6, Section #39294.
- Cost: \$15
- Instructor: Twyla Vogel

To preregister: Call Northwest Iowa Community College at 712-324-5061 or 800-352-4907 and ask for Continuing Education.
