## **Northwest Iowa Community College Receives Donation from Frontier Bank, College Store Named**

After many years of support to Northwest Iowa Community College (NCC), Frontier Bank, Rock Rapids, George, Little Rock, IA, and Sioux Falls, SD, have made an even more lasting mark on the College with a hundred thousand dollar donation to support the College's Foundation Campaign *Everyone Knows Someone Who Chose NCC*.

On Tuesday, October 27 college officials along with representatives from Frontier Bank unveiled a dedication plaque that is hanging outside the College Store located in Building A. Frontier Bank has also joined the Legacy Circle of giving level for donors to the College.

The hundred thousand dollar donation is earmarked for campaign initiatives to include: Career & Technical Education Facilities, NCC Foundation Scholarship Endowment, Instructional Equipment Endowment, and Advanced Technology.

Scott Schneidermann, President and CEO of Frontier Bank and Frontier Insurance and Realty, stated, "Northwest Iowa Community College is very important to the region we serve. Students live and work in northwest Iowa before and after they graduate. Frontier Bank along with many companies and industries throughout northwest Iowa rely on the qualified training of their graduates and the specialized training they provide to the community and workforce. It is a natural progression in our partnership with the College that we take the next step and make a sizeable donation for the continued support they provide the citizens of our local communities."

The mission of the Northwest Iowa Community College Foundation is to attract and manage financial resources, enhance awareness of the College, and to support access to lifelong learning opportunities. This is the fourth major giving campaign the College has undertaken since the Foundation's inception in 1986.

The title of the campaign, *Everyone Knows Someone Who Chose NCC*, is reflective of all the people who have benefited from their experiences at NCC. This includes over 11,000 alumni, hundreds of thousands of students who have taken classes through the Continuing Education and Workforce & Economic

Development, students who picked up summer classes, or being involved in one of the many committees and boards that assist the College with their overall mission. Everyone knows someone who is directly involved with NCC.

Making a charitable gift to the *Everyone Knows Someone Who Chose NCC* Campaign for Northwest Iowa Community College is an important and very personal decision. The satisfaction in giving comes in knowing through your gift you are investing in the lives of individuals, businesses, and organizations that benefit from the mission of Northwest Iowa Community College.
