### Google Infinity Course Offered at Northwest Iowa Community College

Google plays an **extremely important role** in today's world of technology. Google is no longer just a search engine. It has evolved immensely, and this course will show you how. In this hands-on class, we will go through how to use Google Search, Gmail, Google Voice, Google Maps, Google Chrome, Chrome Web Store, Google Plus, Google Music, Google Docs, and many other features of Google. Google Voice is a free phone service that allows you to screen and/or record your phone calls, as well as give you a free phone number and free text messaging and voice mail. Gmail is a free email service with many great features. You will learn about these things, along with many more of Google's amazing features!

#### **Class information:**

- Two sessions on Tuesday, June 19 and June 26 from 6:00 pm – 9:00 pm at Northwest Iowa Community College in Room 204B, Section #30632
- Cost: \$39
- Instructor: Brandon Nelson

**To preregister: Call Northwest Iowa Community College at 712-324-5061 or 800-352-4907 and ask for Continuing Education.**
