Northwest Iowa Community College Announces the Grand Opening Celebration for the Northwest Iowa Lifelong Learning and Recreation Center

Northwest Iowa Community College is excited to host a week of grand opening celebration festivities for the new Northwest Iowa Lifelong Learning & Recreation Center (LLRC) the week of August 29 – September 1st. NCC partnered with the City of Sheldon, Sanford Sheldon Medical Center, and many other friends and supporters to make this outstanding facility a reality. We hope to serve and meet the wellness needs of residents of Northwest Iowa.

Many activities have been planned for the week long celebration. There are classes you can attend for free with topics that include everything from nutrition, zumba, and kettlebells. Activities scheduled for the week long celebration include:

Greta M. Giese, Coordinator of the Lifelong Learning and Recreation Center, commented, "It is our pleasure to offer a safe, clean, and friendly environment for our students and community members to gather and focus on the pursuits of lifelong learning, recreation, and wellness. The grand opening celebration week is a great time for people to try new things and see if they like them. Have you heard of Zumba or Kettlebell classes and you would like to try it before signing up for an entire series of classes. Stop out and try a class on us and see if it is a good fit for you in your pursuit of wellness. The LLRC will be a source of wellness and recreation information, and we look forward to serving you in the future for all of your fitness and recreation needs."

The LLRC opened on June 15, 2011. This state-of-the-art facility includes:

- Matrix cardiovascular equipment
- Matrix and Troy strength training equipment
- An aerobic/multi-use room to house a variety of fitness classes, events, and activities
- Indoor walking/running track
- Basketball, volleyball, and tennis courts
- Locker-room and shower amenities
- Towel service
- Kitchen and concessions capabilities
- Free WiFi
- Vending machines
- On-Site parking
- And most importantly a welcoming environment for participants of all ages and abilities
