“GROUP GUITAR” CLASSES TO BE OFFERED AT NORTHWEST IOWA COMMUNITY COLLEGE

Northwest Iowa Community College will offer a six-session “Beginner Guitar and Bass Training Class” beginning on Monday, October 6 through November 10, 2014. The class will meet from 5:00 to 6:00 p.m. in Room 304 of Building C. This class is for the beginner starting from scratch with acoustic, acoustic/electric, bass or solid body electric guitars. By the end of the sessions players will be playing songs and have an understanding of tempo, rhythm and time.

An “Advanced Guitar and Bass Training Class” will be held for six sessions beginning on October 6 from 6:00 to 7:0 p.m. This class is for players who are looking for a deeper insight on reading music, playing lead guitar, scales, and learning all chord types from a professional standpoint. A must for people who are looking to join or start a band. Players can pick songs, work together as a group, study songwriting and music theory. All music styles covered. Step into the advanced class for a fun, informative session moving players through many professional learning methods.

Both classes will be taught by Brandon Dale Guitar and Artist Development.

For more information, or to preregister for either of these classes, please contact the Continuing Education Division at Northwest Iowa Community College at 712-324-5061, or toll free at 1-800-352-4907. A fee of \$89.00 will be charged for each course.
