INTERSTATES COMPANIES SCHOLARSHIPS AWARDED

Northwest Iowa Community College student, **A'Dryan Evans** of Rock Valley, Iowa, has been awarded the Interstates Companies Scholarship.

The scholarship recognizes second-year students who hold a minimum cumulative grade point average of 3.0. An essay entitled "Why I am interested in a career in the Industrial & Commercial Wiring and/or Industrial Instrumentation & Control Field" was also a deciding factor in awarding the scholarship.

The scholarship was established by the Interstates Companies of Sioux Center, Iowa, to recognize outstanding academic achievement by students enrolled in the Industrial & Commercial Wiring or Industrial Instrumentation & Control programs at NCC.
