Iowa Automobile Dealers Foundation Awards 16 Scholarships

The Iowa Automobile Dealers Foundation for Education awarded sixteen \$2,000 scholarships to college-bound students. The recipients are seeking additional training to begin a career in the automotive industry.

Northwest Iowa Community College is proud to announce that **Mark Saunders**, Peterson, IA, is a recipient. He is currently a student at NCC. This scholarship is sponsored by Hamill Motor Company, Sheldon.

Scholarship applications are available each January. In the spring the Foundation Board reviews scholarship applications and selects the winners. Since 1998, the Foundation has awarded over 180 scholarships to students across Iowa.

The Foundation is a non-profit entity established in 1995 by the Iowa Automobile Dealers Association, an association serving over 450 car and truck dealers in the state. The IAD Foundation's mission is to support educational, research and charitable activities that positively impact the automotive industry.
