Manufacturing Day Set for October 25 at Northwest Iowa Community College

Northwest Iowa Community College will be hosting their Annual Manufacturing Day event on October 25, 2016 from 9:00 am – 12:30 pm to promote and showcase the Manufacturing programs at NCC: Production Welding, Advanced Welding Technology, Engineering Design and Design Technology. This is an opportunity for students to observe, and be educated by area industries on what is being built and created right here in Northwest Iowa.

Manufacturing Day – October 25, 2016: 9:00 am-12:30pm

Activities include:

- Company Presentations
- Employment Possibilities
- Display of Company Products
- Tours of the Engineering/Design Technology and Production Welding/Advanced Welding Technology Programs

Local manufacturers partnering with NCC for Manufacturing Day include: Demco, booth; Rosenboom Machine and Tool, booth; Quatro Composites, booth; DenHartog Industries, booth; VT Industries, booth; Maintainer Corp. of Iowa, booth; Sudenga Industries/Diversified Technologies, booth; Groschopp, booth; Coilcraft, booth; Link Manufacturing, presenting; Mill Creek, presenting.

This event is open to area high school and college students, the public is also welcome to attend.

For more information email Ryan Steffen at: rsteffen@nwicc.edu or call 712-324-5061, ext. 129.
