Northwest Iowa Community College to Offer the Course “Realize the Power of Microsoft PowerPoint 2010”

In today's environment, presentations have moved far beyond flip charts and overhead projectors. Audiences expect that your presentations are in an electronic format and that your presentations be unique and sophisticated. You can learn how to create presentations for industry or pleasure, for a new proposal or for a wedding or family presentation. You will learn the keys of building a good PowerPoint slideshow. How to build a master template, different layouts, backgrounds, links, pictures and inserting video will be taught in this hands-on class using Microsoft PowerPoint 2010. If you have some experience with Microsoft Word, it is time to discover the tools and features of Microsoft PowerPoint!

This class will meet on 2 Mondays from 6:00 pm – 9:00 pm, starting on February 24 and ending on March 3 in Room 514H at Northwest Iowa Community College. The section number is #39300 and the cost is \$35. Twyla Vogel will be the instructor.

To preregister: Call Northwest Iowa Community College at 712-324-5061 or 800-352-4907 and ask for Continuing Education.
