when received.*

### **Northwest Iowa Community College to Offer the Course “DISCOVER Microsoft Word 2010”**

Northwest Iowa Community College is offering this course to take the student who has a basic knowledge of the computer to the next level by learning the different tools and features in Microsoft Word 2010. Students will use formatting, inserting, styles, backgrounds, graphics and other features to create professional-look letters and to design a simple flyer. Students will also build and format tables. File management techniques will be taught when working with the various files during the course.

#### **Class information:**

- 3 sessions on Tuesdays, April 30 to May 14 from 6:00 pm – 9:00 pm at Northwest Iowa Community College in Room 514H, Section #35375 **OR** 3 sessions on Wednesdays, May 1 to May 15 from 1:00 pm – 4:00 pm at the Sioux Center Library Computer Lab, Section #35374.
- Cost: \$39
- Instructor: Twyla Vogel

Twyla serves as the Northwest Iowa Community College Continuing Education Business Coordinator. She has a Master of Business Administration degree from the University of Sioux Falls. Twyla has many years of experience working with financial businesses and in teaching both basic and customized computer training for area businesses and individuals.

**To preregister: Call Northwest Iowa Community College at 712-324-5061 or 800-352-4907 and ask for Continuing Education.**
