2nd Annual Mind Body Day to be Held at the LLRC

Calm your mind. Boost your energy. Strengthen your body. Join the trainers at the LLRC for their 2nd annual Mind Body Day Saturday, April 30, at 9 AM.

There is a powerful mind-body connection through which emotional, mental, social, spiritual, and behavioral factors can directly affect our health. Come learn about practices that support the mind-body connection and experience different yoga classes/practices, learn about aromatherapy, and meditation during this FREE day of mind body wellness.

45 minute sessions include:

- **11 AM Soul Flow with Ariel**
  This class flows with the breath and focuses on experiencing the joy of yoga as your body opens into the poses. This class will feature asana, pranayama, and meditation paired with the philosophy behind the practice.

- **12 PM Peaceful Warrior Flow with Brian**
  A challenging yet grounded flow customized to create endurance and stability, ending with a strong seated asana sequence leaving you deeply rooted and at peace.

- **1 PM Kundalini Yoga with Jackie**
  Kundalini Yoga is called the Yoga of Awareness. It is a dynamic, powerful tool that is designed to awaken the entire system. In Kundalini Yoga we harness the mental, physical, and nervous energies of the body and put them under the domain of the intention. This practice precisely and consciously combines breath, mudra, eye-focus, mantra, body locks, and postures to balance the glandular system, strengthen the nervous system, expand lung capacity, and purify the blood. It brings balance to the body, mind, and soul. This is a classical kundalini style class and different from Vinyasa flow. Also a great class to try for any yogi.

- **2 PM Yoga Nidra with Jackie**
  Yoga Nidra is a style of “yogic sleep” where the student is guided into deep wave patterns in the brain - offering extremely relaxing and stress reducing benefits.
