Northwest Iowa Community College is proud to announce that it will be hosting its 30<sup>th</sup> Annual Foundation Golf Classic at the new golf course attached to Grand Falls Casino and Resort on Monday, June 1, 2015. Registration and check-in begins at 11:00 with the tournament beginning at noon.

The Falls Golf Course is scheduled to open this spring, and the NCC Foundation Golf Classic will be one of the first tournaments held on this new state-of-the-art facility. The 18-hole course, designed by Rees Jones, Inc., is constructed on 155 acres of rolling terrain directly adjacent to the casino. Spanning over 7,100 yards, the golf course offers panoramic views of the pastoral countryside and includes a 30-foot waterfall that flows into a 12-acre lake, resulting in a memorable golfing experience for golfers of every ability level.

All proceeds from the tournament will go towards supporting scholarships for NCC students. Since the inception of this tournament, \$329,337.20 has been raised to support students who are taking classes at Northwest Iowa Community College. The fee to participate is \$125 per person, which includes the round of golf with cart, a light lunch, and a lavish meal after the tournament catered by Grand Falls Casino and Golf Resort's expert chefs.
