The Northwest Iowa Community College Foundation has received a Donation of \$50,000 from Premium Iowa Pork

The Northwest Iowa Community College Foundation has received a donation of \$50,000 from Premium Iowa Pork, Hospers, Iowa. The donation will be used for the renovation of Building D, which houses NCC's Transportation and Welding programs.

Lance Haugstad, Human Resource Manager, Premium Iowa Pork, commented, "Premium Iowa Pork appreciates the relationship that has developed with Northwest Iowa Community College over the last few years and look forward to working with them for many more. The partnership we have with NCC is extremely valuable, as their programs align with the needs we have for our workforce."

Dr. Alethea Stubbe, NCC President expressed her gratitude by saying, "Thank you to Premium Iowa Pork and the owner Mr. Lynch for the generous donation. It is deeply appreciated! Premium Iowa Pork has hired many of our graduates from our credit programs and has worked extensively with our Business & Industry Department. Their support will help us continue our mission as a progressive learning college serving our area business and industry, students, and communities."

Premium Iowa Pork was founded in 2005 by Gary Lynch. Premium Iowa Pork harvests, prepares, and packages its Premium Iowa Pork (P.I.P.) antibiotic free Pork Products. They maintain the strictest control of sanitation, cleanliness and temperature control to produce a product anyone would be proud to display.

The Foundation's mission is to attract and manage financial resources for the College, enhance awareness of the College, and to support access to lifelong learning opportunities. Since 2006, the Foundation has awarded over 2,300 scholarships totaling over \$1.3 million. Last year NCC awarded 443 scholarships totaling \$278,664. If you are interested in supporting the NCC Foundation, contact Dr. Jan Snyder at 712-324-5061 or jsnyder@nwicc.edu.
