NORTHWEST IOWA COMMUNITY COLLEGE TO OFFER TWO QUILTING CLASSES

Northwest Iowa Community College, Sheldon, Iowa, will be offering an “Intro to Quilting” class on Thursday, October 2, 2014. The class will meet from 7:00 to 9:00 p.m. in Room 367 of Building C. Are you interested in quilting, but don’t know where to start? This class will explain terms used in quilting and will have hands on examples of many of the tools used in quilting. Participants will be walked through the steps of making a quilt from fabric selection, reading a pattern, assembling a flimsy and finishing the quilt. Fee for the course is \$15.00

On Saturday, October 4, the class “And the Race is On!” will be held from 8:00 a.m. to 12:00 noon in Room 367 of Building C. Students will construct a quilt using a jelly roll or balli pop. This is a fun and fast way to make a quilt top in a day. Students will learn several techniques such as applique, adding blocks, and borders to personalize your quilt. When registering, please inquire as to supplies needed for the class. Fee for the course is \$29.00
