Northwest Iowa Community College Alumni Roger Schuller Honored With Big50 Award

Roger Schuller, owner of R.D. Schuller Construction, Inc., Omaha, NE, a 1969 graduate of the Northwest Iowa Community College Construction program, has been selected by REMODELING magazine to join the REMODELING Big50.

The Big50 awards were presented at a gala dinner at the Remodeling Leadership Conference in Washington, DC on May 10, 2013. The 2013 Big50 winners are featured in the May issue of REMODELING, a national trade publication read by more than 98,000 professional remodeling contractors.

Each year since 1986, the REMODELING Big50 inducts 50 owners of remodeling companies that have set exceptionally high standards for professionalism and integrity through exemplary business practices, craftsmanship, and impact in their community or the industry at large. Big50 remodelers run successful, often growing, companies of various sizes that have taken the lead in raising industry standards.

The Big50 selection process has become increasingly rigorous in recent years, and the result, REMODELING editors believe, is one of the strongest classes to date. “Uniting the 2013 inductees are high standards and a determination to push through the recession—taking the opportunity to retool systems and processes to prepare for the recovery—ensuring that as business picks up, they are poised to meet their sales, production, and customer-service goals and continue to thrive,” according to REMODELING.

“We are very honored to receive this distinction,” says Roger Schuller, Owner of R.D. Schuller Construction, Inc. “The award recognizes excellence and leadership, and we are privileged to be named to this select group of remodelers.”

REMODELING editors, columnists, industry leaders, and the companies themselves make the nominations each year. Following a lengthy evaluation and interview process, the editors select the 50 individuals who exemplify the best of the industry that year, and who have something to offer other remodelers in proven practices. Roger was selected for the category of Remodeling Excellence.

REMODELING, published by Hanley Wood, LLC, is the leading publication in the home improvement industry. Designed to address the specific concerns of residential remodeling pros, the magazine is both a business tool and an industry leader for a market that reached \$278 Billion in 2011.

Roger Schuller, founder and President of R.D. Schuller, Inc., has conducted general contracting, home remodeling, and carpentry work in the Omaha Metro area since 1973. The business is a small, owner-operated company, geared towards quality renovations and remodeling. R.D. Schuller has received the 2003 “State Remodeler of the Year” award, the 2003 and 2009 “M.O.B.A Remodeler of the Year” awards, and “Best Of Omaha Remodeling Contractor” for 2006, 2007, 2008, 2009, 2010, 2011, 2012, and 2013.
