Northwest Iowa Community College Attempts to Break World Record with the Longest Line of Selfies

Have you ever wanted to make history? Well now you can!! You can be part of history by helping to break a **world record** at Northwest Iowa Community College! As part of NCC's homecoming, Days of Thunder, NCC staff, students, and faculty along with anyone from the community who would like to be a part of history will attempt to break the world record for taking the longest line of selfies!

The attempt is Wednesday, October 21st starting at 10am on the lawn in front of the College. Brad Gill, NCC Business Instructor, said, "The world record right now is 531 selfies, so the goal for the day is to have about 600 selfies taken."

To qualify as a participant you must sign in at the registration desk, have your selfie taken in the official line by the official phone, and the selfie needs to be taken no more than 60 seconds apart. Each person can take up to two selfies.

There is a FREE lunch following the world record attempt for all of those who have taken part in the selfie line that will start at 12:30pm. Gill said, "We really want this to be a celebration for everyone who participates. The lunch is on the front lawn and everyone is welcome."

This is the second attempt to break a world record during Days of Thunder. Last year NCC's students, employees, and community members came up a bit short of the world record attempt for the longest parade of pickups ending up with 302 vs the record of 360, but did grab the state of Iowa record.

For a complete listing of the Days of Thunder events please go to nwicc.edu and click on the Days of Thunder Information link in the Announcement Box, call 712-324-5061, or email: contactus@nwicc.edu for more information. NCC – Your Success is Our Story!
