Stille to Retire from Northwest Iowa Community College

Marilyn Stille, Health Occupations Education Coordinator, will be retiring from Northwest Iowa Community College on June 30, 2015. Stille has been with NCC for 26 years - since June, 1989.

Stille began her career at NCC as a part-time Certified Nurse Aide instructor. She served in that position for 11 years and in October of 2000 she began working full time as the Health Occupations Coordinator in the Workforce and Continuing Education Department.

Stille commented, "My favorite moments at NCC would be the opportunity I had to recognize the direct caregivers in the area. The students and my coworkers have been the most rewarding part of my time at NCC." Stille's advice to her NCC coworkers is, "Enjoy the job you do every day."

Stille's plans for retirement, "I plan to teach Certified Nurse Aide courses part-time and spend time with my grandkids."
