Susanna Schriever Receives Northwest Iowa Community College's Student Leadership Award

Northwest Iowa Community College's Student Leadership Award was presented to Susanna Schriever, Associate Degree Nursing graduate, Rock Rapids, IA, by Nicole Steele, Coordinator - Residence Life & Student Activities, at NCC's commencement ceremony held on Friday, May 12.

The Outstanding Student Leadership Award is in its 12th year of existence, and was created to award individuals who have gone above and beyond to be a leader. This leadership can be exhibited in the classroom, in on-campus activities, and outside of the classroom.

Earlier this semester, nominations for this award were submitted by faculty, staff and other students from NCC. Nominations had to include a narrative of specific activities or events that show this person's leadership abilities. After all nominations were submitted, a team of faculty and staff read the narratives and voted on the most deserving candidate.

Laura Nachtigal, Administrative Assistant to the Vice President of Student & Academic Services and Phi Theta Kappa Advisor, nominated Schriever for this award. In her nomination letter she stated, "Susanna's commitment to academic and professional excellence is commendable, and she gives equal dedication and effort to all of her roles at NCC. She has continuously been an honor-roll student, and she has received a number of well-deserved scholarships. This past year, Susanna was selected as NCC's honoree for the All Iowa Academic Banquet, a great and richly deserved accomplishment. It is clear how important her education is to her and how hard she works in and out of the classroom. I admire her unwavering focus on her goals."

Schriever has also been very active on campus. She participated with Phi Theta Kappa, Student Government Association (SGA), and Campus Crusade for Christ.

Schriever's future plans are to work in India as a nurse and missionary.
