Northwest Iowa Community College to Offer Summer Camps

Northwest Iowa Community College is starting something new this summer - offering Summer Camps in June and July. “Our goal is to bring young students to our campus and help them with career exploration and awareness of different careers.” said Tracy Gorter, Coordinator of High School Partnerships. Gorter went on to explain, “We understand sometimes it can be a little overwhelming when young people are trying to make career decisions. We want to assist and connect students with career exploration and learning opportunities and let them have fun while doing it.”

Career on Wheels Camp
Are you curious about exciting careers that place you behind the steering wheel? Would you like to explore the possibilities of a career on wheels? Consider one of the following: Working with large construction equipment, haulers, tractors, and semi-trucks? How about driving an ambulance, fire truck, police car, or delivering homecare services throughout your community? Register today for this opportunity and check out NCC’s Career on Wheel’s Camp!
