The Northwest Iowa Community College Foundation along with the KIWA Radio Stations are proud to announce the second *Annual Thunder Road Race*. The purpose of the event is to raise money for NCC student scholarships. The event will start at the Lifelong Learning and Recreation Center (LLRC) located on NCC's campus, Saturday, October 26 beginning at 9:00 a.m.

In the first year of the Thunder Road Race (2012) there were 155 participants in the race and over \$4000.00 was raised to help support student scholarships. Heidi Brown, NCC Foundation President, stated, "We were very pleased with the great turnout for the 2012 inaugural running of the NCC Thunder Road Race! It's our hope that participation this year will be even better as more people have had the opportunity to hear about this special fall event! It's easy for us to 'talk the talk' of supporting NCC, on Oct. 26 we'll have the opportunity to 'walk the walk' or RUN and show our active support!"

Brown continued, "The Thunder Road Race gives students, families and folks of all ages the opportunity to work together to support Northwest Iowa Community College & have fun doing it. NCC continues to expand & grow to meet the needs of the increasing student enrollment and an ever changing economy and environment. NCC is consistently active & on the go - we can be too on Oct. 26 as we participate in the second annual Thunder Road Race!"

The event will include:

- Pre-race warm-up with LLRC Personal Trainers (8:30 a.m.)
