USED AUTO DEALER TRAINING AT NORTHWEST IOWA COMMUNITY COLLEGE

Northwest Iowa Community College (NCC), is offering the course “Safety and Environmental Education for Auto Dealers.” The class will cover New OSHA Hazard Communications Rule for all shops with employees and industrial chemical products in use as well as environmental compliance. This class will be of assistance to auto dealers who have a service department, body shop and those who have a used motor vehicle dealer’s license coupled with a recycler’s license. Learn your responsibilities under the Iowa DNR, EPA and OSHA rules/regulations and compliance requirements. Updated information from the Iowa DOT, Consumer Protection Division of the Iowa Attorney General’s Office and other state and federal agencies will be provided. This class will be on Thursday, October 9 in Room 304C at NCC from 8:00 am – 1:00 pm, Section # 41729.

The cost of the class will be \$159, which includes the manual.
