## **Northwest Iowa Community College Dedicated Veteran and Military Student Lounge**

Northwest Iowa celebrated the dedication of the Veteran and Military Student Lounge on Friday, November 11, 2016. A brief ceremony was held in the Building D lobby with “Taps” played at noon through the NCC campus speaker system.

As part of the Home Base Iowa designation, the committee created an area for Veterans, connecting them with the campus and community resources they need to be successful students.

Home Base Iowa is a one-of-a-kind program assisting veterans and transitioning service members. This program helps connect businesses with qualified veterans looking for career opportunities. Countless resources help veterans and their families with education and in transitioning to a new community with focused support and individuals who want to help.
