Northwest Iowa Community College to Dedicate a Veteran and Military Student Lounge on Veteran's Day

Northwest Iowa will celebrate the dedication of the Veteran and Military Student Lounge on Friday, November 11, 2016. A brief ceremony will begin at 11:45 am in the Building D lobby with the playing of "Taps" at noon through the NCC campus speaker system.

As part of the Home Base Iowa designation, the committee created an area for Veterans, connecting them with the campus and community resources needed to be successful students.

The public is welcome to join us as we dedicate this lounge to the proud military service men and women who serve us.
