WELDING PROJECT CLASS OFFERED AT NORTHWEST IOWA COMMUNITY COLLEGE

The Continuing Education Division of Northwest Iowa Community College will offer a 2 night welding project course on September 30 & October 2, 2014. This course will meet both nights from 6:00 to 8:00 p.m., in the NCC welding shop, room 424, Building D.

Come learn and experiment with MIG (wire welding) and each participant will be able to take home a fun welded pumpkin project for your home or front step just in time for autumn. Absolutely no welding experience is necessary.

The instructor for this course is Nancy McDowell and the fee, including materials, is \$79. Register online at www.nwicc.edu or, call the Continuing Education office locally at 324-5061 or toll free at 800-352-4907.
