Introduction to Windows 7 and the Internet Course Offered at Northwest Iowa Community College

This hands-on class will help you learn the basics of using a computer with a Windows 7 operating system. Each student will learn the key computer terms and practice using a computer with a Windows 7 operating system. Playing computer games and doing simple tasks will help each student learn how to use the mouse, keyboard and commands. Students will also learn the fundamentals of getting onto and searching the internet.

There will be one session on Tuesday, April 21 in Room 514H at Northwest Iowa Community College from 5:30 to 9:30 pm, Course #44725.

The cost of the class will be \$35 and will be taught by Twyla Vogel.

To register, call the Continuing Education direct local line at 712-631-5500 or Northwest Iowa Community College at 800-352-4907 and ask for Continuing Education.
