## NEWS RELEASE

*May be published  
when received.*

### **Introduction to Windows 8.1 Course Offered at Northwest Iowa Community College**

Northwest Iowa Community College is offering a class to help you learn how to move around within Windows 8.1 with the new Start screen, Charms bar, and desktop. You'll find out how to manage apps and programs on the Start screen and how to customize the Start screen and desktop areas. Overall, you will gain a better understanding of how to organize and manage your new computer. **All students need to bring their own laptop to class. Computers will not be provided.**

There will be two sessions on Tuesdays in the Sioux Center Library Computer Lab from 1:00 to 4:00 pm on April 8 and 15, Section #39942 **OR** on Wednesdays at Northwest Iowa Community College in Room 518H from 6:00 to 9:00 pm on April 9 and 16, Section #39943.

The cost of the class will be \$35 and will be taught by Twyla Vogel.

**To register: Call Northwest Iowa Community College at 712-324-5061 or 800-352-4907 and ask for Continuing Education.**
