SCHOLARSHIPS AVAILABLE AT NORTHWEST IOWA COMMUNITY COLLEGE

Northwest Iowa Community College, Sheldon, IA, announces Trade and Technology Scholarship opportunities that are available from your community college. Your child may or may not be at the age of actively considering college choices, but it's never too early to start thinking about future plans.

NCC is a smart choice, whether you want to start out here, (taking your general Arts & Sciences courses and then transferring to a 4-year college or university) or whether you want to enroll in one of our high-tech, high-skill career programs.

Over \$230,000 in scholarship money is made available to students each year through the Northwest Iowa Community College Foundation. Taking 10 minutes to fill out an application could be worth thousands so be sure to apply!

You can find more information about a scholarship and how to apply by picking up a scholarship book at Student Services on the NCC campus, by calling 800-352-4907 or 324-5061, or log on to the NCC website at www.nwicc.edu (you can even complete the online application). Please be aware that some scholarships require an essay or letter of recommendation; this supporting material must also be turned in by April 1 for you to be eligible. Please email studentservices@nwicc.edu or stop in the Foundation Office (room 127A) if you have any questions.
