### **Wastewater Continuing Education Course Offered at Northwest Iowa Community College**

Northwest Iowa Community College, Sheldon, IA will offer a course in Trickling Filters and RBC's on Thursday May 26, 2011. This course is designed to provide a solids overview of trickling filters and RBC's. Come and interact with other trickling filter and RBC operators during this interactive 5-hour course.

This one day class meets from 9:00am to 3:00pm in room 349 in Building C at NCC and is approved for 0.5 CEU's for Wastewater.

The fee for this course is \$88 and Mark Simms is the instructor.

Register and pay online at [www.nwicc.edu](http://www.nwicc.edu) or call the Continuing Education office locally at 324-5061 or toll free at 800-352-4907.
