PART TIME RESPITE AND SUPPORTED COMMUNITY LIVING PROVIDERS:

We're looking for fun, caring, responsible people who want a rewarding experience! Opportunities available working one on one with children and adults, who have physical and/or mental disabilities, in their homes and out in the community. Flexible shifts, typically after school, evening and weekend hours!

You do your own scheduling, so it can be as few or as many hours as you choose. We serve all ages and abilities and will match you with someone whose needs fit your skills. You will be providing Respite care and Supported Community Living (SCL) (teaching independent living skills).

Job Requirements: Provide care necessary to meet the needs of a consumer, which can include assisting with personal cares such as lifting/transferring, bathing, dressing, feeding, toileting, etc.

Teach the skills identified to meet each consumer's individualized goals, which can include social skills, personal care skills, money and budgeting skills, safety skills, and being involved in the consumer's community. Find creative and effective ways to teach skills, so that the consumer will have the greatest level of success. Provide transportation to activities, as needed.

Provide assistance needed for the consumer to participate in community activities, which may include accompanying and supervising consumer during activities.

Physical Requirements: May be required to lift to support physical needs of the consumer. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Respite pay is \$9.50 per hour. Starting SCL pay rate is \$12.50 per hour or higher.

APPLY: To learn more or to apply, go to: www.RespiteConnection.com or call 515-277-1050.
