**REMINDER FOR TODAY!!!!**

### **Constitution Day Student & Legislative Panel**

**TODAY - - - Monday, September 16, 2019.**

At the LLRC (9:05-9:50 a.m.).

Members of the Faculty and Staff, good morning!

Attendance is mandatory and on campus classes will be dismissed during this time so that everyone can attend. As you have done in recent years, please walk your students down to the LLRC.

Please note: Prior to the panel session, NCC will be hosting a Legislative Breakfast at 7:30 a.m. during which a select group of students will be invited to attend. We ask that you work with these students to grant them permission to be absent in order to tell their story to our area legislators.

Thank you for supporting this annual event.
