The educator for the day will be **Stacy Besch**. Stacy will include motivation in her program to have us live a better life and make an impact on our clients. Stacy has accomplished a great deal at an early age. Now in her forties, she has been a successful salon and day spa business owner for over 20 years, employer of twenty, owns a Cafe Boutique, upscale consignment store and an owner of a retail-shopping plaza, an instructor at community colleges throughout the state, professional speaker, and mother of two children. In her spare time, Stacy is actively involved in the community by sitting on the Algona Chamber of Commerce Board of Directors, an Ambassador for the community, a board member of Algona Economic Development, chairperson of Woman Networking Organization & Algona Leadership Program. Stacy has taught continuing education for cosmetologists for over 17 years. Her passion has been to motivate others in her industry. She has captured audiences with motivational and inspiring presentations that have them organizing their life, taking more risk and making a difference in the lives of others.
