Why Vote? A Constitution Day Presentation with Larry R. Bradley

Wednesday, September 16 at 12:00 PM

In celebration of Constitution Day, Larry will have an open candid conversation on the following topics.

Why does your vote matter?

Why do elections matter?

Why did fighting the Revolution cause the Constitution to be structured as it is?

What 4 vital questions are voters not asking themselves?

What is the essential task our elections are failing to accomplish and thereby causing us all the trouble we are having?

What 3 simple changes to our elections will make our democracy work for average voters again?
