Remember...

- During Phase II, our courts will be available for individual workouts/practice or immediate family use only. Immediate family includes family members that reside in the same household - for example, they are on a Family Membership together.
- Beginning June 22 with the implementation of Phase II, reservations can be made in 30-minute increments for one hoop. Individuals and immediate family groups may reserve court space and time through our registration website at https://llrc.activityreg.com/ClientPage_t2.wcs. (Per the directions outlined above.)
- Again, all LLRC members under the age of 18 must be accompanied by *their* parent or legal guardian. No exceptions will be made.
- No pick-up games will be allowed. If this occurs, individuals will be asked to disperse and their reservation will be null and void. If violations persist, no future admittance for the remainder of the summer will be allowed and no refund will be given.
